- Apple Certified in Final Cut Pro with own editing studio (www.thetoppermost.com)
- Professional editing experience in features, shorts, and documentaries in many genres
- Working knowledge of all media formats including DV, HDV, DVCPro, D5 and film
- Mastery of digital post-production systems including DVD Studio Pro, Motion, Compressor, Cleaner XL, Photoshop, Sorenson Squeeze as well as optimization and encoding media for DVD and the Internet
- Several years experience in all phases of the filmmaking process, from pre to post production, including producing, directing, and editing

PROFESSIONAL EXPERIENCE

Freelance Final Cut Pro Editor

Since August 2004

- Work with talented filmmakers as an editor on a diverse array of projects from full-length features to Web magazines, documentaries, and crew member reels
- Full post-production involvement including capturing, sound, color correction, special effects, and encoding/final output
- Target formats include DVD and many Internet codecs (Flash, QuickTime etc.)
- Help with scripting, pre production, shooting, and distribution/submission
- Have full in-house studio with decks, editing (Final Cut Studio), DVD duplication and Web hosting

Editor – McGraw Hill (Publishers Media), Los Angeles

June 2006 to January 2007

- Edited professional educational videos using Final Cut Pro 5, Motion, and Soundtrack Pro
- Created graphics using Photoshop
- Constructed numerous visual effects, green screening, color correction, and motion effects
- Wrote, storyboarded, and assisted in the production of segments

Assistant Editor/Project Manager - Thought Equity (stock footage), Los Angeles

January 2006 to June 2006

- Reviewed content from Sony Pictures and HBO and assessed which clips were marketable
- Digitized and encoded media in various HD formats using Final Cut Pro 5 and Compressor
- Operated a quad system containing 4 G5 Power Macs and 4 HD decks

Media Coordinator, Final Cut Pro Editor - DMX Music, Los Angeles

January 2004 to July 2005

- Assembled show reels for numerous customers
- Created DVDs for final output in stores
- Converted material to various formats for DVD output, web streaming, and downloading

Production Assistant – Warner Bros./Telepictures, Glendale

February 2003 to February 2004 - "Street Smarts" and "Extra" National Television Productions

- Worked as liaison between "Street Smarts" Contestants and Production Personnel
- Attended post-production meetings to discuss Contestant-related follow-up
- Media management including Nesbit, dubbing, post-shoot updates
- Served as production assistant on-set and on location
